Missing Child Procedure

At Xtra Time Kidz Club and 1st Touch Coaching our staff are always alert to the possibility that children can go missing during sessions. To minimise the risk of this happening staff will carry out periodic head counts, particularly when transporting children between locations (eg walking from the school to the Club).

If a child cannot be located, the following steps will be taken:

- All staff will be informed that the child is missing.
- Staff will conduct a thorough search of the premises and surrounding area.
- After 10 minutes the police will be informed. The manager will then contact the child's parents or carers.
- Staff will continue to search for the child whilst waiting for the police and parents to arrive.
- We will maintain as normal a routine as possible for the rest of the children at the Club.
- The manager will liaise with the police and the child's parent or carer.

For 1st Touch Coaching:

- All children gathered up and a search will be instigated.
- After 10 minutes the Coach will inform the School and the Police will be alerted.
- The Coach will follow the Schools missing person policy whilst keeping the other children secure.

The incident will be recorded in the **Incident Log**. A review will be conducted regarding this and any other related incidents along with relevant policies and procedures. We will identify and implement any changes as necessary.

If the police or Social Care were involved in the incident, we will also inform Ofsted.
